To Whom It May Concern:

The City of Monticello continues to support the local library. This library plays a vital role for the small community of Monticello. This building is one of the oldest structures in our City and needs a lot of improvements to keep it running.

The City of Monticello fully supports the San Juan County Library Board in their application for a Department of Community and Culture Capital Facilities Grant. Thoughtful partnerships will allow all of us to achieve our objective of providing the best library service to both citizens and visitors of San Juan County.

Respectfully,

A handwritten signature in blue ink, which appears to read "Doug Allen", is placed above the printed name.

Doug Allen, Mayor
